JOB REFERENCE: ARTIFICIAL INTELLIGENCE INTERNSHIP

Dear Hiring Manager,

I hope this message finds you well. I am writing to express my keen interest in the Python Internship position at HAIS, as recently advertised on Indeed.

In my most recent role as a Python Intern at Jantrah Tech, I im wemersed myself in the realm of Artificial Intelligence and Machine Learning projects. During this internship, I successfully developed and implemented a variety of algorithms and models aimed at solving real-world problems. My collaborative efforts with team members resulted in the delivery of efficient and innovative solutions, showcasing my ability to contribute effectively within a team environment.

The current opening for a AI Intern at HAIS aligns seamlessly with my skill set and passion for Python. My experience at Jantrah Tech equipped me with a solid foundation in Python, and the intricacies of AI and ML projects have become second nature to me. I am enthusiastic about the prospect of applying my knowledge and skills to contribute to the innovative projects at HAIS. Additionally, I am currently enrolled in an Advanced Python course at NAVTTC Islamabad, further enhancing my proficiency in Python programming.

Thank you for considering my application. I look forward to the opportunity to discuss how my background aligns with the needs of your team. I am available for an interview at your earliest convenience and can be reached at +923195021914 or via email at umerfayyaz633@gmail.com.

Sincerely.

Umer Fayyaz
